

Pharmacy Benefits

No matter which medical plan you choose, you'll have access to comprehensive prescription drug coverage with convenient retail and mail-order options.

CVS Caremark® administers prescription drug coverage for Aetna medical plans, with access to more than 60,000 pharmacies nationwide. Visit **Caremark.com** to find covered medications and participating pharmacies.

Tools that can help you save:

GoodRx: Helps you get the lowest available price on eligible generic prescriptions.

Scripta: Helps identify lower-cost medication alternatives.

PrudentRx: Provides select specialty medications at no cost for eligible **CORE PPO** and **PREMIUM PPO** members. Not available to members enrolled in the **HDHP PLUS** or Kaiser medical plans.

Kaiser plans: Kaiser administers pharmacy benefits for its medical plans.
